

FALCO VERT KOMPAKT CYKELSTÄLL

FALCOVERT

FalcoVert är ett kompakt cykelställ som spar plats och som passar utmärkt för platser där många rör sig, som tågstationer, shoppingcenter, huvudleder och i parkeringsgarage.

Falco Vert finns i både enkel- och dubbelsidigt utförande.

MODULAR DESIGN | connect multiple add-on sections for as long as required

SUSTAINABLE | Manufactured from 100% recyclable galvanised steel

USER-FRIENDLY | Easy to use and secure cycle parking system

FALCOVERT

The FalcoVert is a compact cycle parking system which securely parks bicycles in a semi vertical position with both front and rear wheels located in a custom designed trough.

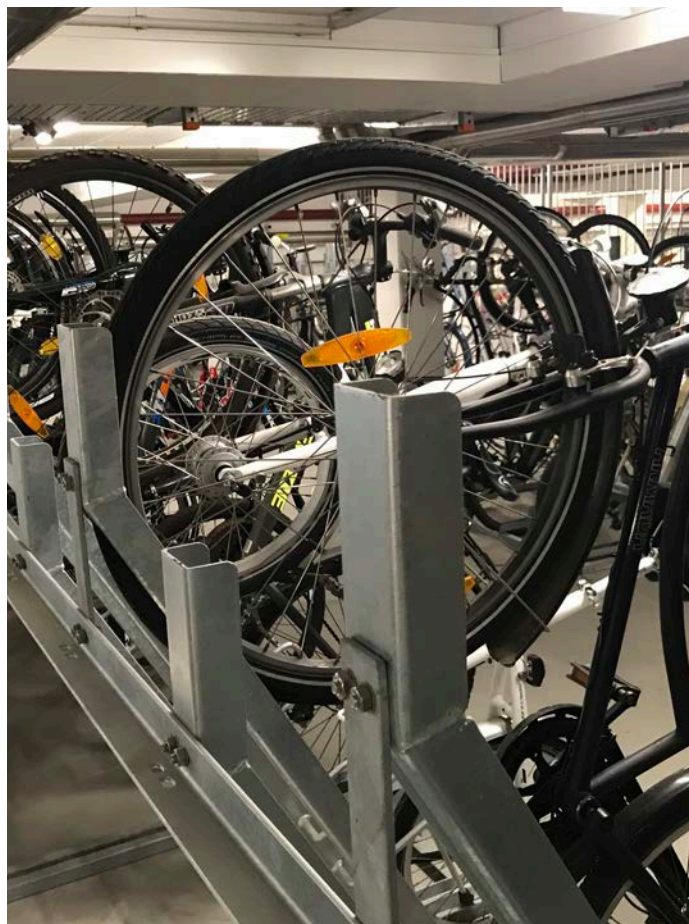

Egenskaper och fördelar med Falcovert cykelställ:

- Täta mellanrum på 305 mm för maximalt antal parkeringar i cykelstället.
- Cykelställ är lämpliga för cyklar med upp till 50mm däckdimensioner.
- Kan ha plats för hur många cyklar som helst.
- Placerar cykelns båda hjul i en skräddarsydd ränna av stål.
- Tillverkad av 100 % återvinningsbart galvaniserat stål.
- Finns i enkelsidig och dubbelsidig version.
- Allt stål är varmgalvaniserat i enlighet med BS EN ISO1461.
- Kan ytbehandlas med pulverlack i valfri RAL-kulör.

**FalcoVert dimensioner**

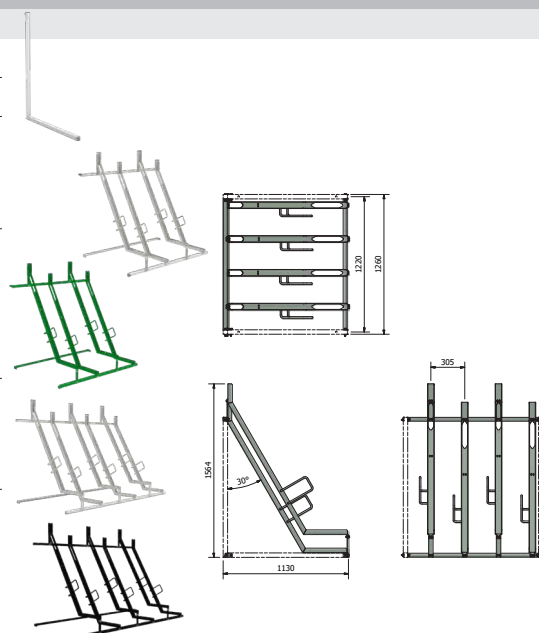

Ställets höjd är 1564 mm och djupet 1130 mm. Längden beror på hur många platser det inkluderar.

Kontakta oss om du behöver hjälp med att planera er cykelparkering. Vi projekterar och ritar samt levererar och monterar.
