

FALCO TABULA

FALCOTABULA PLANTER

Based upon simplicity, the FalcoTabula is a new stylish planter design, ideal for practically any location! Exceptionally robust and durable, the FalcoTabula is designed to compliment any surrounding including shopping centres, stations, high streets, parks, gardens and playgrounds.

AESTHETIC | Modern and Contemporary Design

SUSTAINABLE | Hardwood and Recyclable Galvanised Steel

DURABLE | Weather Proof, Rust Proof and No Maintenance Required

FALCOTABULA

The planter is manufactured from hot-dip galvanised steel to BS EN ISO 1461 with wooden slats. The inner container is also manufactured from galvanised steel.

All steel work on the FalcoTabula planter can be powder coated in any of the 192 standard RAL colours upon request.

The planter is available in two different dimensions:

- 600mm x 600mm wide x 595mm tall.
- 1000mm x 1000mm wide x 595mm tall.
